If you are interested in any particular coin, we shall be glad to have you write us for full information. **LOTS CANNOT BE BROKEN.** Be sure you bid on the correct lot as we cannot be responsible for errors in bidding.

NOTICE TO NEW BIDDERS

Our Mail Sales Are Conducted As Follows:

1. Bids are entered in the order received; if identical bids are received, the first bidder is awarded the lot. **SEND BIDS AIRMAIL—IT PAYS.**

2. The highest bidder on the date of the sale is awarded the coin at a slight advance over the second highest bidder. **Bids you send in are the maximum you are willing to pay for the coin. WE, AS YOUR AGENT, TRY TO BUY THE COIN AS LOW AS THE NEXT HIGHEST BID WILL ALLOW.**

3. Valuations placed in the auction catalog are catalog prices, prices generally asked by dealers when the coin is in stock, or prices generally realized at auctions.

ANY COIN WHICH IS NOT AS REPRESENTED MAY BE RETURNED WITHIN FIVE DAYS FROM DATE OF RECEIPT FOR FULL REFUND. YOU TO BE THE SOLE JUDGE AS TO CONDITION. YOU MUST BE SATISFIED. No, you won't receive a nasty letter for returning a coin—instead you will receive a letter thanking you for calling attention to the error made in cataloging. While we try to describe coins as accurately as possible, it is inevitable that an occasional error is made in the cataloging of thousands of coins for each sale. Whenever this happens, we want it called to our attention to help prevent future errors.

Any coins may be inspected prior to the sale, collector to pay postage and insurance both ways.

If you are not interested in these sales, won't you advise us so we may discontinue sending you catalogs.

YOU WILL WANT A PRICE LIST OF THIS SALE

PRICE LIST OF SALE \$1.00

IS THIS YOUR FIRST AUCTION CATALOG?

21st EDITION (1968) GUIDE BOOK, (1965) PAPER MONEY 5th EDITION
"TRENDS" AND OTHER AUCTION RECORDS USED IN CATALOGING.

Occasionally a collector writes us asking why our estimated values in some instances are higher than the catalog listing. This occurs when the demand is so great and the supply so small that new records are set whenever these come upon the market. If one will take a few moments to reflect, he will understand that it takes several months to compile the necessary information before the catalog can be published, therefore, it is inevitable that the catalog listing will be under the prevailing market price on the items in popular demand at the time of the publication. **The estimated prices are entered only after careful examination of various records and publications which reflect the actual and not theoretical values. (PLEASE NOTE THAT MANY OF THE ESTIMATES ARE CATALOG VALUE ONLY. MANY OF THE GOLD COINS, SILVER \$1, WASHINGTON QUARTERS, CURRENCY, ETC. ARE ESTIMATED AT CATALOG).** In the final analysis, you the collector, are the one who sets the price.

BIDS ARE RECORDED AS FOLLOWS: Each bid sheet is given a number as it comes in, and the bids are recorded. In the event of identical bids, the first bidder receives the lot. At the last day of the sale, the books are closed with the highest bidder on each lot being awarded the lot at an advance of not over 5% above the next highest bidder. For illustration—the two highest bids received on a lot may be \$17 and \$20. The highest bidder who bid \$20 would receive the lot at \$17.50. We act as your agent and use your bids as a limit—not as a final bid unless we are forced to do so to obtain the lot. We accept unlimited bids which generally assures the bidder of obtaining that lot regardless of what the highest bid may be. Where the lot is bringing far more than we believe it is worth, or in the event of two unlimited bidders on the same lot, we notify the unlimited bidders by phone or wire, if necessary, in order to obtain a fixed limit to the bid. Even tho auction purchases are supposed to be final, we do not want you to keep any lots which you believe are improperly described. We endeavor to treat our customers as we would wish to be treated. We try to keep it on a friendly basis and value the many friends we have made thru the years. If you have any complaints, we want to hear them, as well as any compliments.

Please allow up to two weeks for receipt of coins, unsuccessful bidder will be notified.

**YOUR SUCCESSFUL BIDS WILL INSURE YOUR RECEIVING
SUCCESSIVE CATALOGS WITHOUT INTERRUPTION**

BARGAINS

In every sale, some lots go at "bargain prices." May we suggest that in addition to bidding on those lots you "really want," you place nominal bids on those lots that "you might buy if they went at bargain prices." While you may not obtain many of these "bargain lots", yet in every sale you may pick up some real bargains.

Sincerely,

A. M. KAGIN and PAUL KAGIN

YOU MUST BE SATISFIED

Our Sales Are Cataloged With You in Mind. If you have any suggestions, complaints, (yes we receive some now and then), we want to hear them. Having catalogued over two hundred seventy-five successful coin sales, we believe we are qualified to advise and help you with your numismatic problems. No, we don't "know-it-all" but we do know where to obtain the information we don't have.

We have a number of want lists on hand for the scarce and rare United States coins and currency. Our average commission for obtaining these specimens is only 10 per cent, therefore we believe we can pay the top price for your choice and scarce pieces, no matter how rare. Don't you think it is worth a 10c airmail stamp to find out what we would pay for your outstanding pieces? Naturally we buy collections, too.

SOMETHING NEW HAS BEEN ADDED

We wish to call your attention to the new service extended as per the bottom of the bid sheet. After receiving requests to apply the amount saved in the awarding of successful bids below the bids authorized we decided to avail this service to all of our clients. It is often exasperating to lose a lot by a few nickels when the amount saved on the successful bids would have been sufficient to increase the original bid to the point necessary to receive the lot. Check the bottom of your bid sheet.

EARLY DIMES

1—1796 SMALL EAGLE, 15 Stars, basically about fine but some clever repairs (bent, then straightened, etc.) sharp date except bottom part of "7" worn. RARE. Catalogs fine \$675; this worth proportionately.

2—1797 SMALL EAGLE, 13 STARS, a lovely specimen with attractive bluish patina, appears to be "Uncirculated" (actually, it was bought as such) at first glance, but close inspection with a glass reveals the barest evidence of friction. RARE, PARTICULARLY SO CHOICE! In checking records, we note the "Gem Uncirculated" specimen in the Lester Markin sale of April 1, 1966 (New York) realized \$7,250; this one probably worth close to 2,000.00

3—1803 Struck from slightly dished dies resulting in a fine obverse and extremely fine reverse. Far superior to most specimens seen of this difficult date. Probably worth around the v.f. price of	475.00
4—1804 Also slightly dished resulting in the obverse being basically very fine with a nick and the reverse fine with a nick. VERY RARE! ONLY ABOUT A DOZEN SAID TO BE KNOWN OF EACH VARIETY! Catalogs low fine at \$325 and v.f. at \$550; this one probably worth around	425.00

19—1824 OVER 22, virtually Uncirculated, only barest friction. SCARCE. Catalogs low unc. at	200.00
20—1824 Over 22, fair with bold sharp date. Catalogs good	14.00

EARLY DIMES (Cont.)

33—1833 Last 3 high, very fine. Catalogs	14.50
34—1835 Re-Engraved 35, golden Uncirculated.	150.00
35—1835 GOLDEN PROOF WITH REMARKABLY HIGH RAISED EDGE, SHARP STRIKE! In an old B. Max Mehl envelope (Ft. Worth).	750.00
36—1835 About very fine (edge nick). Catalogs	13.00
37—1837 BUST TYPE, BLUISH GOLDEN PROOF WITH REMARKABLY HIGH RAISED EDGE, SHARP STRIKE! In an old S.H. Chapman envelope (Philda.).	750.00
38—1837 Bust, rotated reverse, fine.	12.50
39—1837 NO STARS , small date, near Uncirculated with luster. Considerably rarer than the Large Date which catalogs unc. \$325; this one probably worth	300.00
40—1837 Small date duplicate, good. Catalogs	40.00
41—1838-O No Stars , obverse about fine, reverse very fine and sharp. RARE . Probably worth around	175.00
42—1838 Liberty Seated, Stars, NO DRAPERY from elbow, Lg Stars, v.f. Cat.	12.50
43—1838 Large Stars, golden Uncirculated, slight rub. Catalogs	70.00
44—1838 Small stars, bluish Uncirculated, 3 tiny nicks. SCARCE . Catalogs	90.00
45—1838 Partial Drapery, very good and sharp (part LIBERTY). Catalogs	18.50
46—1839 Very fine. Catalogs	12.00
47—1839 Extremely fine and sharp with some luster.	25.00
48—1839-O Very good. Catalogs	7.50
49—1840 NO DRAPERY, BLUISH PROOFLIKE GEM WITH REMARKABLY HIGH RAISED EDGES, SHARP STRIKE! While it appears to be a full proof (for which it was acquired) it does not have the "depth" of proof surface generally associated with proofs. Perhaps it is a "hurriedly or carelessly made proof" as stated by a leading authority. Many of the early proofs of this period were not given the care in manufacture given to the later proofs. They were a "nuisance" made to satisfy the occasional demands of the State or Treasury Departments or Congressmen. Regardless of what this highly desirable specimen is called, it will probably bring over	250.00
50—1840-O Micro "o", very good and sharp (part LIBERTY). Catalogs	8.00
51—1840-O Larger "O", fine. Catalogs	11.00

1795 UNCIRCULATED HALF DOLLAR

215—1795 15 STARS (states) Flowing Hair, SMALL EAGLE, Overton 23 variety (9 in date recut) called **"VERY RARE"** by Overton. Certainly **"CONDITION CENSUS"** if not actually **"The Finest"** or close to the finest known! Probably **"UNCIRCULATED"** and what appears to be some friction at first glance is probably due to the upper hair strand and forehead hair strand not being struck up (the other hair strands are struck up fairly sharp), the stars ((as usual) are not fully struck up but there is a **FULL SHARP BEADING AROUND BOTH EDGES!** The leaves under the left eagle's wing and the mound on which the eagle stands are not fully struck up altho the balance of the reverse is fairly sharp struck (only a few of the feathers on eagle's breast do not show). Lovely light golden patina. An amazing specimen of this rarity (as well as type) coin! Acquired three years ago at \$3,500; probably now worth closer to 5,000.00

1797 REMARKABLE CONDITION HALF DOLLAR

216—1797 Hair In Knot, SMALLER EAGLE, Fraction "½" Below Eagle, Overton 2 variety with several interesting die breaks. Old time individual coin box with "1797 ½ Dol. PROOF" on front, and "NEWCOMER - COL. GREEN COLL." plus "TEN EYCK 433" on back. WHAT A PEDIGREE! Deep serrated border around both sides, lovely bluish patina. Careful examination with a glass leads us to differ from the "PROOF" description on the box. Faint traces of friction are present and the eagle's breast is not fully struck up. Still, it is the most remarkable specimen indeed! We had the "Fabulous" 1796 16 stars variety in "about uncirculated" condition in our previous sale valued \$17,500.00. While the 1797 is not as rare, it is in great demand for a "type" with the "½" and small eagle reverse. In this remarkable condition it is much rarer than the 1796 15 stars (similar type). Acquired between 2½ and 3 years ago at \$12,500, it should surely now realize more; probably near 15,000.00

1801 REMARKABLE CONDITION HALF DOLLAR

217—1801 Overton 2 variety, 13 Stars, Large Heraldic Eagle, ONLY 12 ARROWS, acquired as **"UNCIRCULATED"** and it is only a shade away. **SHARP STRUCK** with light golden patina, very faint traces of rubbing, light line in field. **EXCEEDINGLY RARE IN THIS REMARKABLE CONDITION!** Well worth 1,500.00

1856-57-58 PROOF HALF DIMES

1568—1856 GLITTERING BLUISH GOLDEN WIRE EDGE GEM PROOF! A fantastic specimen of this GREAT RARITY. The "Complete" proof set (Jay collection sold by Stack's Oct. 1967) 1856-1916 had the 1856 ½c, 1c, 3c, 10c, 25c, \$1 but LACKED THE HALF DIME! In checking records of the past 35 years since we have been professional numismatists, we note this great rarity has been offered (particularly in this remarkable state of preservation) less often than the 1859 transitional of which 25 are said to have been struck, and which catalogs	2,000.00

The envelope containing this coin states, "We doubt if a dozen proofs of the very limited coinage still survive".
